in Government, and their salaries if any are not met from Government Funds. Nor are they paid any pension from Govt. Their being allowed to correspond with each other 'On Mysore Government Service' does not appear to be ~~one fit~~ possible.

Attention is invited in this connection to [G. M. F. 209-06-10] F. A. Resident's letter no. 4806 of 17th July 1907 where, with reference to the query, viz. whether the Forest Depot agents should be allowed to superscribe articles 'On Mysore Govt Service', the Director of General of Post Office in India has opined that Commission Agents in charge of Govt. Forest Depots in the Mysore State cannot be permitted to frank articles 'On Mysore Govt Service' as they are not Govt. servants but

that they may frank and despatch articles with the superscription 'Service unpaid' in which case they will be delivered free of postage.

But on a perusal of the Post master General's circular on the subject of the Treatment of Correspondence superscribed "Service unpaid" two conditions are stated to be essential: viz -

- (1) They must be addressed to an official of the Mysore Govt.
- (2) They must relate to the affairs of the Mysore Govt.

It is doubtful whether this ~~present~~ concession at least can be granted.

It will be useful to ascertain in this connection whether the Co Secretaries of Corresponding Co-operative Societies in British India

are allowed the privilege of using service postage labels under their frank when they correspond with each other.

May the Residency be addressed on the point?

The inquiry of the Postal Authorities is
1) Whether the Secretaries of Co-operative Societies are post servants; and 2) Whether they are authorized to correspond with each other on Mysore Govt. Service. There appears to be no doubt that, ^{under the existing orders and rules,} a reply in the negative has to be given to both the questions.

If however, in view of the fact that the Co-operative movement is being fostered by Govt. and facilities are afforded to such societies in many ways, it is intended to obtain the concession of corresponding ^{free} on "Govt Service" for them, it will be worth while to inquire what the practice is in British India in this respect.

I do not think it is necessary
to afford these adventitious aids to
the Cooperative Societies.

Para 2 of the P.M. G's circular
of 1907 - about Despatch of letters
"Service unpaid" seems a sufficient
Concession to these societies when
they have to correspond with
Govt Officers on public matters
such as sending prescribed reports
returns etc.
